

PIANO LESSON RULES AND POLICIES

1. Cash only for lessons, books, and other teaching material. Checks will NOT be accepted due to bounced checks in the past. (Receipts Upon Request)
2. Payment is by the month. If there are 4 weeks in the month, you pay for 4 lessons. If there are 5 weeks in the month, you pay for 5 lessons. Prices are \$25 for 30 min, \$35 for 45 min. and \$40 for one hour.
3. No credit or refund will be given for no shows. Please remember that your payment is guaranteeing that a time slot is reserved exclusively for you and the time must be compensated for regardless of whether a lesson is missed. Every attempt, however, will be made to reschedule the missed lesson if a legitimate reason is given, for example, sudden illness, contagious illness, car trouble, death in the family etc., and a call is given to notify the teacher.
4. If the lesson is missed in the case of known illness, please call 24 hrs beforehand if you know you are ill at that time, otherwise there will be no credit or makeup lesson. If the illness is sudden, (less than 24 hrs), DO NOT come to the lesson if the illness is contagious, such as flu, colds, sore throats, pneumonia, measles, chicken pox, runny noses, poison ivy, or any other contagious condition, as you may pass it on to the other students. You must still call to notify the teacher. Makeup lessons will be given in those cases whenever possible if the teacher is called as soon as the illness is discovered and any contagious condition is completely gone.
5. If the lessons are canceled due to inclement weather or a holiday or the teacher cannot give the lesson, you will be credited for the lessons missed or you will be offered a makeup lesson. If you are unsure of weather conditions and have not been notified, please call the studio.
6. Please be punctual for lessons, as the teacher cannot cut into the next student's lesson time. If you're going to be late, please call. If the reason is legitimate, such as unforeseen traffic, car trouble, accidents etc., every attempt will be made to reschedule a makeup lesson.
7. Payment is due the last week of the current month. For example, October's payment is due the last week of September. It is your responsibility to make payments in a timely fashion, even if the lesson is missed on the payment due date. Arrangements will be made for that.

I have read these terms and conditions and agree to comply:
